* Indicates a Conceptual Project
All other projects are in Planning or Under Construction

This ongoing list represents active and publicly announced projects in Downtown Pittsburgh as of 11/18. The study area includes the Golden Triangle, North Shore, South Shore, Lower Hill/Uptown, and the Strip District. Projects are listed in three categories. Announced means a project has been publicly announced and/or a construction schedule has been determined and due diligence is under way. Active means ground has been broken. Completed means there is no longer active construction at the project site.

Visit DowntownPittsburgh.com/Investment for more information.
